# 1

Optional: print pattern to desired size (suggested 8x11 standard paper). Cut out shape from plexiglass. Begin creating “lead lines” with stick-on lead lines or liquid leading & let dry.

# 2

Begin filling in colors for each section. You can use the suggested colors on the provided color list or choose your own!

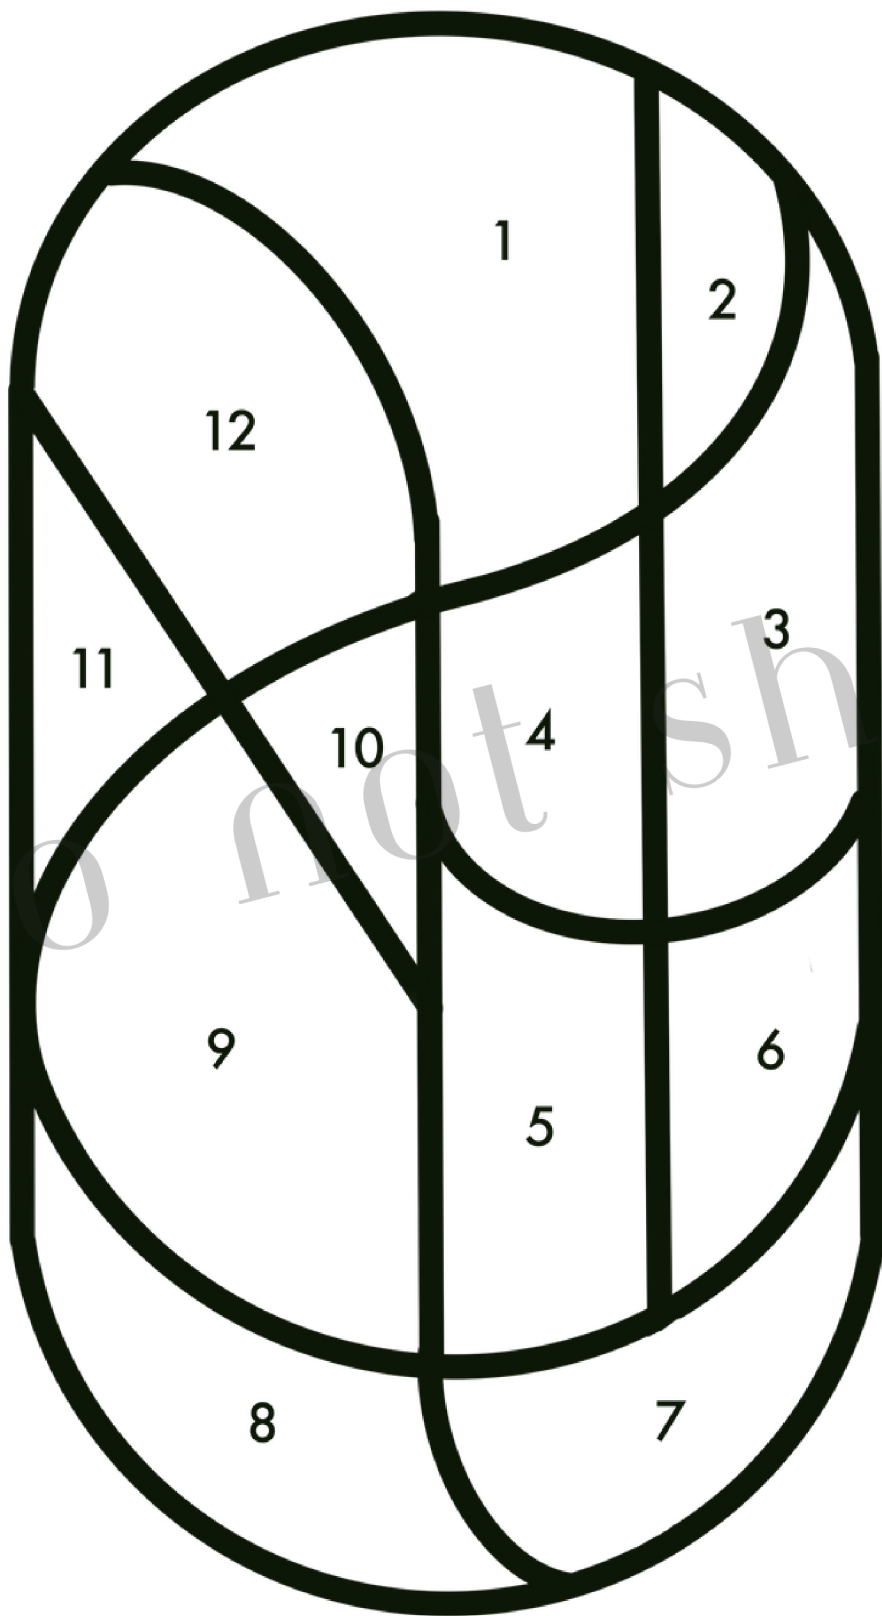

# 3

Colors will apply opaque and dry clear or frosted. You may want to let each color dry before adding another to better see the finished look.

# 4

Continue adding colors, Crystal Clear, or frosted paints until each section is filled. Let dry, then hang or stick directly to the window with window-safe adhesive or tape.
